

Graphic Design Associates  
400 Bellerive Blvd., Ste. 240  
Lexington, KY 40356

To Whom it may concern,

We have been working with Graphic Design Associates for the past 3 years. They have done an exceptional job in servicing our company while reducing our overall costs compared to his competitor. They have always had a high sense of urgency and willing to go the extra mile by working late at night or weekends to meet tight deadlines that we typically encounter. We view GDA as a valuable part of our team.

Our literature process requires coordination between GDA, Parker in Lexington, KY and Irvine, CA, as well as the printer. GDA has taken responsible of this complete process which is very helpful. Their performance with assisting the Parker O-Ring Division and overall knowledge of Parker Hannifin's literature and branding programs has positioned themselves well with our company to become a long term resource.

Sincerely,

Derek Feltner,  
Marketing Manager
