THE STORY OF JOE B

---

# How a legendary coach became our biggest cheerleader.

When Joe B. Hall needed cardiac care, he selected Ephraim McDowell. And from the day he walked through our doors, he was happy he did. Why? Because, as Joe B. will tell you, we have the most advanced cardiovascular technology in the state. We have a ground-breaking interventional cardiology program. And we have doctors he can trust. "My biggest victory was beating heart disease." And that's certainly something to cheer about.
